## Career Objective

Skilled and experienced Creative/Web Designer ambitious to design and develop websites, user interfaces, and interactive solutions.

## Work Experience

### Brand Group

- Creative Designer (2008, 2011 - Present)  
Created, coded and maintained complete websites for photographers, artists, and small businesses. Employed first as a Co-Op position, now a freelance designer.

### ClubEssential

- Website Designer (2008 - 2011)  
Guided dozens of websites from initial design layout to final code. Part of a team awarded "2009 Website Design Firm of the Year" by Boardroom Magazine.

### Audiology Online

- Creative Designer (2006 - 2008)  
Designed website templates, interactive experiences and banner ads for an online hearing aid retailer.

### LaRosa's Pizzeria

- Delivery Driver (2011 - 2014)  
Delivery to downtown Cincinnati and surrounding areas.
- Performance Supervisor (2003 - 2007)  
Supervised 100+ call center employees.
- Customer Service Supervisor (2002 - 2007)  
Took customer complaints, communicated with managers.
- Customer Service Representative (2000 - 2002)

## Education

### University of Cincinnati

College of Design, Architecture, Art & Planning  
BS in Digital Design, Class of 2008  
3.4 GPA, Dean's List  
6 quarter Professional Practice Co-Op program  
Cincinnati, Cinergy, Sisters of Charity Scholarships

## Work Experience (Co-Op)

### Bridge Worldwide

- Creative Designer (2007)  
Created designs for new website layouts. Assisted with brand identity and interactive experiences. Clients included Procter & Gamble, Kroger, and Puffs.

### Digital Intelligence Group

- Creative Designer (2007)  
Designed website assets and maintained existing site design and code. Clients included Sony, Valvoline, and Kikkoman Foodservice.

### Procter & Gamble

- Program Designer (2006)  
Created and coded an internal interactive Flash program that explored different color combinations for a shampoo product in development.
- Creative Designer (2006)  
Designed an internal website which included a Flash introduction, images, and a program layout. Created product logos and how-to videos for employees.

### Resource Interactive
